

Rugged • Flexible • Dependable

Tait Orca 5000 intrinsically safe

The Tait Orca 5000 Intrinsically Safe (IS) portable radios are essential for organisations serious about mobile communications in hazardous environments.

Manufactured to comply with Factory Mutual (FM)\* United States Approvals, the Tait Orca 5000 is rated Intrinsically Safe\* and Non-Incendive (NI).

These approvals allow the Tait Orca 5000 to be operated around flammable gases and vapours, such as those found in petrochemical environments.
